

GOVERNOR'S OFFICE,
AUSTIN, TEXAS, April 5, 1913.

To the Secretary of State:

I am filing with you herewith House Bill No. 366 with my objections to certain items of the appropriation therein contained, as follows:

1. Section 5 appropriates \$2000.00 for the cost of preparing the exhibit provided for in said bill. This item is vetoed on the ground that there is no more money in the State Treasury available for the present fiscal year for this purpose.

2. Three thousand dollars (\$3000.00) for the expense of carrying on the work prescribed in said bill until September 1, 1913, is vetoed for the reason that there is no money in the State Treasury available to meet such expense.

3. The item of \$10,000 for the expense of the work from September 1, 1913, to September 1, 1914, is disapproved for the reason that, in my judgment, this much will not be required to carry on the work for that period of time, and the special session of the Legislature which convenes on the 21st day of July, 1913, can take care of this item by proper appropriation in the general appropriation bill; and the item of \$10,000 for the expense of the work from September 1, 1914, to September 1, 1915, is likewise disapproved for the same reason, to-wit: that the Legislature has already been called for the purpose of making necessary appropriations for the support of the State Government for the fiscal years beginning September 1, 1913, and ending August 31, 1915.

With these exceptions the bill is otherwise approved.

Yours truly,
O. B. COLQUITT,
Governor of Texas.
